Week 5 Report
October 14 - October 21

Team Members

Drake Dodson — *Backend development*
Ryan Hickok   — *Backend Development*
Devin Milligan — *Firmware*
Hunter Northern — *Hardware*
Ethan Peterson — *Firmware*
Brian Tran — *Frontend*
Joshua Van Drie — *Frontend*

Summary of Progress this Report

We sent an order for parts and have continued to work on the frontend.

Pending Issues

Right now firmware development is blocked as we wait for parts but that's about it

Plans for Upcoming Reporting Period

The backend group is going to start work on the backend and hopefully be able to send out a couple of requests to the frontend to get those two things connected
